AVS

AV SYSTEM INSTALLATION

QUICK FACTS

ISC can design and install any type of audio-visual (A/V) system. Everything from start to finish is included: TVs, large-screen projectors with multi-image processors, sound systems, custom-designed control interfaces that allow users to control the entire room through a wireless tablet and more.

ISC has developed small-scale retail environments for Under Armour, large-scale environments like Sports Books for Dover Downs and everything in between.

- ANY TYPE OF A/V SYSTEM DESIGNED FOR A VARIETY OF OPERATIONS: SMALL-SCALE, LARGE-SCALE AND EVERYTHING IN BETWEEN
- INSTALLATION CAN INCLUDE TVS, PROJECTORS WITH MULTI-IMAGE PROCESSORS, SOUND SYSTEMS, CUSTOM-DESIGNED INTERFACES AND MORE
- ISC PROVIDES EVERYTHING FROM START TO FINISH, FROM DESIGN TO COMPLETE INSTALLATION
